計劃簡介

About the Project

《香港200》領袖計劃，是一項致力提升香港青年社會責任的領袖人才培育計劃。自2006年起，《計劃》每年選拔200位別具領袖潛質和抱有服務社會心志之青年領袖，提供一系列卓越的培訓機會，擴闊學員的區域和國際視野，鼓勵他們持續為香港及國際社會帶來正面的影響。2022《香港200》以「可持續發展領袖」為培訓重點，提升參加者「硬知識」及「軟實力」，並培育他們平衡社會、經濟及環境的多角度思考，協助他們肩負推動社會發展的任務。

“Hong Kong 200” is a leadership development programme for young people, which aims to enhance their sense of social responsibility. Each year, this programme selects 200 youth leaders for intensive training to broaden their regional and global vision and encourage them to bring positive impacts to the world. The criteria for selection is based on demonstrated early leadership potential and a commitment to serve the community. The training programme sheds light on **sustainability** and strives to strengthen both participants' **hard and soft skills**. It will nurture their awareness towards the importance of multiple perspectives thinking, striking a delicate balance between society, economy and environment. As a result, they can effectively promote social development as future pillars of society.
