

Student Testimonials

Zabrina Chan

School: Diocesan Girls' School

Through this experience, I gained valuable insights into effective public speaking and learned how to persuade others with strong evidence. I applied ethos, pathos, and logos, and in the process, I built my self-confidence.

Anson Poon

School: Yuen Long Public Middle School
Alumni Association Tang Siu Tong Secondary School

From this programme, I learnt that being a good leader is not defined by your wealth or level of success, it is about your ability to engage and inspire your audiences.

Brushing Colours into Hong Kong's Future

The HKFYG Leadership Institute

The HKFYG Leadership Institute is dedicated to creating a new generation of leaders, with over 200,000 having been trained since 2000. Located at the revitalised historic Former Fanling Magistracy, the Institute combines the heritage of a graceful colonial building with immersive and interactive technology. It also provides training for young people from senior primary schools to tertiary institutions and for those in the workplace in four main themes, namely Resilient Leadership, Service Leadership, Sustainable Leadership and Communicative and Collaborative Leadership. Through our meticulously designed curriculum, young leaders are empowered to take up leadership roles and make wonders locally, nationally, and globally.

Structured Learning Pathway

A structured learning pathway for students at different levels

About the Programme

In today's rapidly changing world, effective communication and critical thinking are vital for success. As future leaders and professionals, young people are pivotal in shaping innovative and adaptable strategies for navigating this complex landscape. For students to thrive and stay competitive, developing their communication competence encompasses not only the ability to articulate ideas clearly and persuasively but also to actively listen, understand diverse perspectives, and engage in constructive dialogue.

This programme, organised by The HKFYG Leadership Institute, supported by SCOLAR and funded by the Language Fund, aims to equip young people with:

Effective
communication

Logical
reasoning

Empathetic
leadership skills
